

✨ Halfway Through 2026: Six Months of Growth, Connection & Impact ✨

Dear VK NỮ Sisters,

It's hard to believe we're already halfway through 2026.

Over the past six months, VK NỮ has continued to grow through the incredible generosity, passion, and support of Vietnamese women across the world. From meaningful events and new friendships to exciting collaborations and behind-the-scenes progress, every step has brought us closer to building the global community we envision.

To celebrate this milestone, we've created a **6-Month Recap Video**, capturing some of our favourite moments from the first half of the year. We hope it reminds you of the amazing journey we've shared and the exciting future ahead.

Thank you for being part of our story. 💜

★ 6-Month Recap Video

What began as a vision to connect Vietnamese women globally is becoming a thriving international community.

Over the past six months, we've welcomed new members, launched events across multiple cities, expanded our volunteer team,

strengthened our mentoring initiatives, and continued building meaningful partnerships.

Whether you've attended one event or have been with us since the beginning, you've helped make these moments possible.

 Watch our 6-Month Recap Video and celebrate how far we've come together.

A Heartfelt Thank You to Thu

This month, we'd like to extend our deepest gratitude to [Thu B Tran](#) for her extraordinary generosity in sponsoring the salary of a VK NỮ intern for the next **two years**.

Behind every thriving community are people who quietly choose to invest in its future. Thanks to Thu's support, our intern will continue gaining valuable professional experience while helping VK NỮ strengthen our programs, expand our initiatives, and better serve Vietnamese women around the world.

More than a financial contribution, this is an investment in the next generation of women leaders and in the future of our community.

As Thu beautifully shared:

"VK Nữ members enrich each other in such lovely ways, including professionally, personally, and beyond. We have such a wealth of experiences to share, including with interns. This fund is intended to support an ongoing internship with VK Nữ so that a young woman can always be learning from and with us."

On behalf of everyone at VK Nữ, thank you, Thu, for your kindness, your trust, and your belief in our mission. Your generosity will create opportunities that extend far beyond today, and we are profoundly grateful for your support.

Support the Future of VK Nữ

VK Nữ exists because of the generosity of our volunteers, members, and supporters.

Whether you'd like to contribute your time, professional skills, ideas, partnerships, or financial support, every contribution helps strengthen our community and expand our impact.

Together, we're building something meaningful for Vietnamese women around the world.

Welcome to the Team, Aeris!

Please join us in welcoming [Aeris Nguyen](#) from New York, who is joining VK Nữ as our newest Social Media volunteer.

As more volunteers join from different parts of the world, we're reminded that VK Nữ is truly becoming a global community built by Vietnamese women, for Vietnamese women.
